

## **PULPIT ANNOUNCEMENTS**

**November 1, 2009**

- We have bombarded with so much information about Health Care Reform. Sometimes you have to wonder what to believe. The US bishops have advised us that things are now URGENT! Legislation is at a make or break point. Unfortunately, pending legislation INCLUDES federal funding of abortion. It also DOES NOT have sufficient conscience protection legislation. The bishops are also concerned about coverage for immigrants. So ... what does that mean? Both bills are GRAVELY LACKING and WE OPPOSE THEM as they stand. Please contact your senator or congressperson with a clear message about abortion, conscience protection and health care for all.
- We're looking for a variety of talents to meet and launch a new Baptism Ministry. We meet for our initial meeting on Tuesday, November 10 at 7 PM at the Rectory dining room. Members of this committee will ultimately facilitate baptism classes and the flow of the group baptism liturgies. Please consider being a part of this really important ministry. Any Questions, please call Cecilia at x223.
- Holy Family Charismatic Prayer Community welcomes and invites everyone to a Healing Mass w/ Rev. Joey Ayala Faller. For more information see our parish bulletin on page 5.
- Next Sunday we will have a guest speaker at ALL Masses. He is a Hollywood stuntman. He is a man of God. He is going to talk to all of us about Winning at the Game of Life. His name is Sammy Maloof! Bring your friends and family! Please see the back of bulletin for pictures and details.
